BLANC *de* BLANCS
WINE ALTERNATIVE

Tasting Note

A premium alcohol-free sparkling drink made with 100% Chardonnay grapes. Crisp, lively, and sophisticated, this Blanc de Blancs delights with fine, elegant bubbles and delicate notes of fresh apple and honeysuckle.

Meticulously Crafted

Made exclusively with Chardonnay grapes grown in the cool northern regions of Italy, this sparkling expression balances freshness, complexity and vibrant minerality.

Enhancing not removing

A carefully controlled fermentation process, using culture rather than yeast, develops refined wine-like aromas and flavours without producing alcohol. The blend is enhanced with a delicate infusion of premium green tea extract, adding subtle tannins and a rounded mouthfeel that echoes the structure of traditional sparkling wine.
