VINTAGE NOTES

The growing season of 2022 was a unique vintage for Washington. With cooler temperatures and an exceedingly wet spring, we started the growing season off with a three-week delay. Come summer, we had our usual temperatures but the month of October brought us a real surprise with spikes in warmer temperatures, which allowed the fruit to ripen without any frost pressure. We finished harvesting in October.

WINEMAKER'S NOTES

We really like to blend but coming up with a name can be tricky. To stay with the river theme, we came across "Rivulet" (a very small stream), we liked it, however, it was already taken. So, we added a "T" for Three Rivers and made up our own word, "Trivulet". Our idea was to create a classic blend of Cabernet Franc and Merlot, sourced from impressive vineyards throughout Eastern Washington. These noble varietals marry so well, no wonder this combo has been considered to be one of the best in the world. Luxurious aromas of bright red cherry, rose petal and delicate floral emerge with the first pour. On the palate, notes of rich milk chocolate are accented by hints of powdered earth that leads to a bright, mouthwatering finish.
